SIR,

Subject - Revision of assessment on lands and buildings in the Corporation area

---

Adverting to G O No L 2919/C L 2/51 dated the 28th June 1951, sanctioning the establishment for revision of assessment on sites and buildings in the Corporation area, I write to state that the revision of assessment was commenced from 25th October 1951 after appointment of Special Revenue Officers The sanctioned establishment for the above work as per the above G O is as follows -

8 Special Revenue Officers

8 Bill Collectors

6 Clerks

8 Peons

There are 50 Divisions with 50,000 houses in the Corporation area The above staff have completed so far only 16 Divisions consisting of about 22,000 houses, leaving a balance of 34 Divisions consisting of 28,000 houses If the revision has to be given effect to from the 1st April 1952, the work should be completed by the end of February 1952 and notices issued under Rule 7 of the Assessment Rules before the 31st March 1952, failing which the revision will have to be given effect to from the 1st October 1952 under 13 of Schedule in which case the Corporation looses about 2½ lakhs of Rupees Such a contingency will upset the budget of the Corporation completely in view of its present financial position the large number of public works (relating to public amenities) the execution of which is pending for want of funds, and the heavy

ure on the increased Dearness Allowance It is therefore
ssary to entertain additional staff immediately and put
the work of revision of assessment at once so that they
inish the work before the end of March 1952 and to enable
to give effect to the revision from 1st April 1952

As it is not likely that the Corporation will meet in the immediate future for transacting any business, I have appointed the following staff for a period of two months with effect from 2nd February 1952 under Sections 89 and 90 of the Corporation Act, exercising the powers of the Standing Committee and the Corporation under Section 11 of the Act in the interest of the Corporation revenue pending sanction of the Government, for finishing the work before the end of March 1952 -

1 Eight Special Revenue Officers on Rs 150/- plus C A Rs 30/- each

2 Eight Bill Collectors on Rs 40/- plus C A Rs 7-8-0 each

3. Eight Peons on Rs 18/- each

The extra cost in this respect will be Rs 2,034/- per mensem as per the Proposition Statement enclosed and it will be met out of the lump sum provision made in the Budget for establishment purposes

I therefore request you to kindly obtain sanction of Government to the above in the circumstances explained

Yours faithfully,

Forwarded with compliments

Commissioner
